3. How QUT CEA collects and holds personal information

3.1 Collection generally

As much as possible or unless provided otherwise in this Privacy Policy or a notification, we will collect your personal information directly from you.

When you engage in certain activities, such as filling out a survey or sending us feedback, we may ask you to provide certain information. It is completely optional for you to engage in these activities.

Depending upon the reason for requiring the information, some of the information we ask you to provide may be identified as mandatory or voluntary. If you do not provide the mandatory information or any other information we require in order for us to provide our products or services to you, we may be unable to provide our products or services to you in an effective manner, or at all.

3.2 Other collection types

We may also collect personal information about you from other sources, such as competitions, event registrations and also from third parties. Some examples of these alternative collection events are:

- (a) when we collect personal information about you from third parties, such as EventBrite (where you have registered to attend a QUT CEA event) or Dynamail (where you have subscribed to our newsletter); or

3.3 Notification of collection

If we collect details about you from someone else, we will, whenever reasonably possible, make you aware that we have done this and why, unless special circumstances apply, including as described in this clause 3.3(a) to 3.3(c) below. Generally speaking, we will not tell you when we collect personal information about you in the following circumstances:

- (a) where information is collected from any personal referee you have listed on any application form (including any employment application) with QUT CEA;
- (b) where information is collected from publically available sources including but not limited to court judgments, directorship and bankruptcy searches, social media platforms (such as Facebook, Twitter, Google, Instagram etc); or
- (c) as otherwise required or authorised by law.

3.4 Unsolicited personal information

In the event we collect personal information from you, or a third party, in circumstances where we have not requested or solicited that information (known as unsolicited information), and it is determined by QUT CEA (in its absolute discretion) that the personal information is not required, we will destroy the information or ensure that the information is de-identified.

In the event that the unsolicited personal information collected is in relation to potential future employment with QUT CEA, such as your CV, resume or candidacy related information, and it is determined by QUT CEA (in its absolute discretion) that it

may consider you for potential future employment, QUT CEA may keep the personal information on its human resource records.

3.5 How we hold your personal information

Once we collect your personal information, we will either hold it securely and store it on infrastructure owned or controlled by us or with a third party service provider who have taken reasonable steps to ensure they comply with the *Privacy Act 1988* (Cth). We provide some more general information on our security measures in Section 10 (**Data security and quality**).

3.6 Cookies and IP addresses

If you use our website, we may utilise "cookies" which enable us to monitor traffic patterns, trends and to serve you more efficiently if you revisit our website. In most cases, a cookie does not identify you personally but may identify your internet service provider or computer.

We may gather your IP address as part of our business activities and to assist with any operational difficulties or support issues with our services. This information does not identify you personally.

However, in some cases, cookies may enable us to aggregate certain information with other personal information we collect and hold about you. QUT CEA extends the same privacy protection to your personal information, whether gathered via cookies or from other sources, as detailed in this Privacy Policy.

You can set your browser to notify you when you receive a cookie and this will provide you with an opportunity to either accept or reject it in each instance. However, if you disable cookies, you may not be able to access certain areas of our websites or take advantage of the improved web site experience that cookies offer.

However, we do not collect sensitive information from you without your consent.

The type of sensitive information we may collect about you is dependent on the services provided to you by QUT CEA and will be limited to the purpose(s) for which it is collected. 8. Anonymity and pseudo-anonymity

To the extent practicable and reasonable, we will endeavour to provide you with the option of dealing with QUT CEA on an anonymous basis or through the use of a pseudonym. However, there may be circumstances in which it is no longer practicable for QUT CEA to correspond with you in this manner and your personal information may be required in order to provide you with our products and services or to resolve any issue you may have.

9. Cross Border Disclosure

9.1 Cross border disclosures

Any personal information collected and held by QUT CEA may be disclosed to, and held at, a destination outside Australia, including America, as a result of QUT CEA utilising third party service providers to assist us with providing our goods and services to you. Personal information may also be processed by staff or by other third parties operating outside Australia who work for us or for one of our suppliers, agents, partners or related companies.

As we use service providers and platforms which can be accessed from various countries via an Internet connection, it is not always practicable to know where your information may be held. If your information is stored in this way, disclosures may occur in countries other than those listed above.

In addition we may utilise overseas IT services (including software, platforms and infrastructure), such as data storage facilities or other IT infrastructure. In such cases, we may own or control such overseas infrastructure or we may have entered into contractual arrangements with third party service providers to assist QUT CEA with providing our products and services to you.

9.2 Provision of informed consent

By submitting your personal information to QUT CEA, you expressly agree and consent to the disclosure, transfer, storing or processing of your personal information outside of Australia. In providing this consent, you understand and acknowledge that countries outside Australia do not always have the same privacy protection obligations as Australia in relation to personal information. However, we will take steps to ensure that your information is used by third parties securely and in accordance with the terms of this Privacy Policy.

The *Privacy Act 1988* requires us to take such steps as are reasonable in the circumstances to ensure that any recipients of your personal information outside of Australia do not breach the privacy principles contained within the *Privacy Act 1988*. By providing your consent, under the *Privacy Act 1988*, we are not required to take such steps as may be reasonable in the circumstances. However, despite this, we

acknowledge the importance of protecting personal information and have taken reasonable steps to ensure that your information is used by third parties securely and in accordance with the terms of this Privacy Policy.

9.3 **If you do not consent**

If you do not agree to the disclosure of your personal information outside Australia by QUT CEA, you should (after being informed of the cross border disclosure) tell QUT CEA that you do not consent. To do this, either elect not to submit the personal information to QUT CEA after being reasonably informed in a collection notification or please contact us via the details set out at the top of this document.

10. **Data security and quality**

10.1 **QUT CEA's security generally**

We have taken steps to help secure and protect your personal information from unauthorised access, use, disclosure, alteration, or destruction. You will appreciate, however, that we cannot guarantee the security of all transmissions or personal information, especially where human error is involved or malicious activity by a third party.

Notwithstanding the above, we will take reasonable steps to:

- (a) make sure that the personal information we collect, use or disclose is accurate, complete and up to date;
- (b) protect your personal information from misuse, loss, unauthorised access, modification or disclosure both physically and through computer security methods; and
- (c) destroy or permanently de-identify personal information if it is no longer needed for its purpose of collection.

10.2 **Accuracy**

The accuracy of personal information depends largely on the information you provide to us, so we recommend that you:

- (a) let us know if there are any errors in your personal information; and
- (b) keep us up-to-date with changes to your personal information (such as your name or address).

We provide information about how you can access and correct your information in Section 11.

11. **Access to and correction of your personal information**

You are entitled to have access to any personal information relating to you which we hold, except in some exceptional circumstances provided by law (including the *Privacy Act 1988* (Cth)). You are also entitled to edit and correct such information if the information is inaccurate, out of date, incomplete, irrelevant or misleading.

If you would like access to or correct any records of personal information we have about you, you are able to access and update that information (subject to the above) by contacting us via the details set out at the top of this document.

12. Resolving Privacy Complaints

12.1 Complaints generally

We have put in place an effective mechanism and procedure to resolve privacy complaints. We will ensure that all complaints are dealt with in a reasonably appropriate timeframe so that any decision (if any decision is required to be made) is made expeditiously and in a manner that does not compromise the integrity or quality of any such decision.

13. Consent, modifications and updates

13.1 Interaction of this Policy with contracts

This Privacy Policy is a compliance document prescribed by law rather than a legal contract between two or more persons. However, certain contracts may incorporate all, or part, of this Privacy Policy into the terms of that contract. In such instances, QUT CEA may incorporate the terms of this policy such that:

- (a) certain sections or paragraphs in this policy are incorporated into that contract, but in such a way that they do not give rise to contractual obligations onto QUT CEA, but do create contractual obligations on the other party to the contract; and
- (b) the consents provided in this policy become contractual terms provided by the other party to the contract.

13.2 **Acknowledgement**

By using our website, purchasing a product or service from QUT CEA, where you have been provided with a copy of our Privacy Policy or had a copy of our Privacy Policy reasonably available to you, you are acknowledging and agreeing:

- (a) to provide the consents given by you in this Privacy Policy; and
- (b) that you have been informed of all of the matters in this Privacy Policy.

13.3 **Modifications and updates**

We reserve the right to modify our Privacy Policy as our business needs require. We will take reasonable steps to notify you of such changes (whether by direct communication or by posting a notice on our website).
